Mr. K. T. Bhashyam Iyengar.—

Is there difficulty to Government?

Second Member of Council.—

We cannot say.

Mr. Nilgiri Sanjeeviah.—

Are Government aware that a resolution was passed in this Assembly in 1924 that capital punishment should be done away with?

Dewan.—

That is a big question. There seems no use in discussing it. I am sorry it is not possible to give a reply at once.

MESSRS. B. SRINIVASA RAO (Bowringpet Taluk), and M. V. RAMALINGA CHETTY (Bowringpet Municipality):—

Q.—11. Will the Government be pleased to state:—

(1) The agreement in respect of supply of water to the Kolar Gold Fields mining area; the year of agreement; the quantity of water supplied;

(2) The year in which arrangements were made for the supply of water to the Kolar Gold Field Sanitary Board area; the quantity of water to be supplied; the annual income therefrom?

(3) The capacity of the tanks of Holali and Bethamangala, when they are full, reserved for the purpose?

(4) Whether the supply of these tanks had at any time fallen short of requirements after the above agreement; if so, when and how many times?

(5) Whether it is a fact that they intend to raise the level of the waste weir of the Bethamangala tank by two feet; if so, the reasons therefor and the agency benefited thereby?

(6) The names of the villages in front of the Bethamangala tank and their distance from the contour line when the tank is full?

(7) The extent of additional area coming under submersion if the level of the waste weir is raised as above.

SECRETARY TO GOVERNMENT, DEPARTMENT OF PUBLIC WORKS.—

A.—11. (1) (*a*) Agreement is that Government should supply water required by the Mining Companies.

MESSRS. YEJAMAN SIDDAPPA (Tumkur Municipality), BHAVIKATTE CHANNABASAPPA and ABDUL NABI KHAN *alias* MIYA LAL (Tumkur Taluk).—

Q.—15. Will the Government be pleased to state:—

(1) How many years have elapsed since the Tumkur tank discharged ?

(2) How many years ago was "Vaisakhi crop" raised under the tank ?

(3) Has any remission of Kandayam been granted under the tank at any time and, if so, in what years ?

(4) If no remission was granted, the reason therefor ?

(5) Are Government aware of the loss sustained by the raiyats under the Tumkur tank; if so, what measures have been taken to prevent the raiyats from such loss ?

(6) Has the Government considered the fact whether water will be sufficient or not for the total "atchkat" under the tank when it fills ? If it does not suffice, will it not be fair to reduce the atchkat ?
